MOTION BY SUPERVISOR GLORIA MOLINA

November 30, 2004

**Amendment to Item 87**

The Chief Administrative Office is recommending allocating \$5 million per year to the District Attorney. One million dollars of these funds would be allocated for a Code Enforcement Section within the District Attorney's Office. The effectiveness of the new Code Enforcement Section, as well as the new efforts by County Counsel to pursue civil remedies for code enforcement violations, should be tracked.

I, THEREFORE, MOVE, that the Chief Administrative Office, with the assistance of the District Attorney and County Counsel, provide a biannual report to the Board on the effectiveness of the new Code Enforcement Section and efforts by County Counsel to pursue civil remedies for code enforcement violations. This report should include, but not be limited to, the number of cases handled by County Counsel and the results, the number of office cases referred to the District Attorney, the number of prosecutions, and the results of those cases, whether ended through prosecution or by other means, and the status of the working relationship between County Counsel and the District Attorney and the efforts by the District Attorney to train County departments in this area.
